Recover Your Inheritance

Shalom,

So much of the truth of the Feasts of the LORD has been stolen from the Body of Messiah by religious traditionalists who reckoned that if the Jews observed a holy day, it was, somehow, not to be recognized by believers in Christ. The fact that was missed by these people was that the one-and-only God of Israel is the True God, and He instituted the feasts to be a cycle celebrated weekly and yearly for the purpose of keeping His people in remembrance. The Passover celebration is the beginning of the yearly appointed times that are instituted for us and, together, they are **the heart of God's redemption plan. They are the Gospel previewed in the older covenant.**

The true meaning of Passover is revealed so that we can recognize and remember that God gave His only begotten son to the world as an offering for sin. When Jesus was celebrating the Passover with His disciples, just prior to His crucifixion, He gave them the matzah and the third cup of the seder, **the cup of redemption**, and told them to eat and drink to remember Him. As we are now in the Days of Matzah, or unleavened bread, we are to remember that sin has been dealt with, and the works of the devil defeated, by the remission of sin through His shed blood.

And Moses calleth for all the elders of Israel, and saith unto them, 'Draw out and take for yourselves [from] the flock, for your families, and slaughter the passover-sacrifice; and ye have taken a bunch of hyssop, and have dipped [it] in the blood which [is] in the basin, and have struck [it] on the lintel, and on the two side-posts, from the blood which [is] in the basin, and ye, ye go not out each from the opening of his house till morning. 'And Jehovah hath passed on to smite the Egyptians, and hath seen the blood on the lintel, and on the two side-posts, and Jehovah hath passed over the opening, and doth not permit the destruction to come into your houses to smite.

(Exodus 12:21-23 YLT)

In the Young's Literal Translation shown above, we can see that **God, Himself, passes over the opening into our houses (bodies) to absolutely prevent the theft, death, and destruction of the evil one.** Please recognize that, as a New Creature in Messiah Jesus, **God lives inside you, and His covenant benefits of forgiveness, healing, and total supernatural Shalom (nothing missing-nothing broken) are working in you, from the inside out, to drive away every invader by the blood of Jesus.**

Now, back to the sad fact that many who believe and belong to Jesus have had **part of our inheritance stolen from them**, and therefore are missing some of the richness that belongs to the redeemed. Remember, in John 10:10 Jesus told us about the

thief which steals, kills, and destroys. The devil is the thief and, through deception, he has stolen an important part of what belongs to us and should be in the center of our relationship with our Father in Heaven. **He has provided all things that pertain to life and godliness through our knowledge of Messiah Yeshua. He has made us joint heirs with the Messiah in the family of God.**

Every one of the “Appointed Times of the LORD” gives us insight into the plans and purposes of God. **The Feasts are God’s cycle to increase our revelation of all that He has given us in Yeshua.** I am **committed to recover** everything the enemy has stolen from me, and I am intent on my ministry of teaching to **equip all who will listen to recognize the gift that the LORD has given us by the Holy Spirit to reveal His grace and increase understanding through giving regular attention to His feasts and all they represent.**

Stopping the thief,
Terry
